Here are a few reasons why it is important for you and your family to be registered members of St. John Neumann Church:

1. *The most important reason is that this identifies you and your family as members of OUR PARISH FAMILY.*
2. If you wish to become a godparent for Baptism, First Communion, or Confirmation, you must be registered.
3. If you wish to be married by the church or get your marriage blessed, you must be registered.
4. Christ the King School requires written proof that parents of students be registered and active in their church for enrollment and scholarship consideration.
5. If you have a daughter preparing for her Quinceanera, you need to be registered and she needs to be attending CCE classes.
